Amalorpavam Hr. Sec. School
Gained knowledge about the fundamentals of Mathematics, Social science and Science

SKILLS

- Programming
 - ✓ C
 - ✓ Java [Beginner]
 - ✓ Verilog [Beginner]
- Software
 - ✓ MATLAB
 - ✓ Vivado
 - ✓ Arduino IDE
 - ✓ Cisco Packet Tracer [Networking]
 - ✓ Codeblocks
 - ✓ Visual Studio Code
- Hardware
 - ✓ Digital Electronics
 - ✓ Networking
 - ✓ Analog Communication
 - ✓ Electronic Circuits
- Soft Skills
 - ✓ Problem-solving skills
 - ✓ Team Collaboration
 - ✓ Leadership

CERTIFICATIONS

- Certification on VLSI design and Verification from Taras System and Solution
- NPTEL Certificate -Analog Communication
- Certification on Networking
- Junior Grade Typewriting in English[First Class]
- I have attended a workshop on Testing of Electronic Devices in Hardware at SMVEC

PROJECTS

- **Early Alert System in Hopper Level monitoring**
Developed an Arduino-based Monitoring System as a micro project. I designed and tested a functional prototype with sensor integration.
- **Smart Security Guard Shift Verification System**
Working on a system for watchman attendance and shift handover monitoring using RFID And GSM.
- **Automated Helmet Detection and Fine Calculation**
Working on with is project to detect the absence of helmet usage to ensure the rider safety at anywhere and if the rider fails to wear helmet fine will be calculated without any manual power.

INTERNSHIP

- I have completed my internship at Vi Micro tech, Chennai on Embedded System in which I experienced an Industrial exposure

AWARDS

- I have secured 1st rank with gold medal in school level in SOF International English Olympiad.
- I have participated in NEURONEX'26 a National Level Technical Symposium in Paper Verse event conducted by VIT
- I have participated in HACK FUSION 1.0 a 24-hours hackathon at JIT
- I have participated in INSTRONIX 2024 in a inter-collegiate Technical Symposium in Ideathon event conducted by PTU

EXTRACURRICULAR ACTIVITIES

- Actively participate in Clubs
- Enhancing my skills
- Active participation in outdoor events
- Networking
- Drawing and Craftworks

LANGUAGES

- Tamil
- English
- German[beginner]

HOBBIES & INTRESTS

- Learning new Skills
- Exploring new things
- Listening to music
- Travelling
- Develop my Communication skill
- Learn new languages

ADDITIONALS

- Industrial visit to Pondy Hi-tech which was great industrial exposure
- I was a cadet in NCC and I have passed with Grade A
- I have attended a CATC-CUM-IUC-NSC-2019
- I am enthusiastic, dedicated, responsible, good coordinator and quick learner
- I am interested in learning new things and more curious to have hand-on training than theoretical
- I am a logical thinker
